My Consideration:

In the name of the “Universidad Nacional de Loja”- Ecuador and in my name, it is an honour to address you to express our gratitude for the presence of the opera singer Ennio Capece, who delighted us with his extraordinary voice and humane qualities and enjoyed the public in our “Festival de la Lirica”, which was organized by our institution.

Hereby I thank you that you made it possible for the Tenor to come to us. I congratulate Maestro Capece to his historic performance in our city.

Best Regards

Signed
Maestro Oswaldo Mora Rivas
